Conference Announcement

ABOUT THE CONFERENCE

We have the honour of inviting you to participate in the 2017 Edition of the *International Conference "Agriculture for Life - Life for Agriculture"*, hosted by the University of Agricultural Sciences and Veterinary Medicine of Bucharest. The event will be held in Bucharest, Romania, between the 08th and 10th of June 2017.

We live in a time of great challenges for agriculture, including energy, climate change, environment, food safety and nutrition, health, rural development and trade. These are challenges not only for a sustainable agriculture but also for agricultural education and research, and will not be solved without major advances in research and innovation. Therefore, the University of Agricultural Sciences and Veterinary Medicine of Bucharest aims to continue its annual meetings on life sciences and social sciences, providing the opportunity for industry, academia, policy makers and all stakeholders to share their innovative ideas and research results in order to scientifically address global challenges.

The Conference will facilitate the creation of new connections and partnerships by offering a unique insight into the most recent agricultural research, and further promoting the development and innovation of agriculture field.
